This week a number of reward letters have been sent home for Roll of Honour Boards for the Spring Term an overall star student, all years and all subjects. Please see the full list of award winners on page 2 as well as this, letters have gone home with Year 7 – 9 reports for students who have made excellent progress or for their attitudes to learning, both in school and through home based learning. This is always one of the most fulfilling parts of my role, encouraging and rewarding the students in our school who are developing strong learning, adult, behaviours or making excellent progress!

Over the last few weeks many practical examinations have taken place in Art, Dance, Drama, Music and PE and we are confident the students have performed well. I would like to thank all the staff involved who put in many additional hours in supporting their students to enable them to reach the grades they have achieved, and commend those students who have really tried their very best to succeed.

Next Monday sees the start of the main examination season for our Year 10,11,12 and 13 students and I would like to wish them all every success in their forthcoming examinations. Students who have prepared well and worked hard throughout the last two years of study should approach this period with confidence. For all students though it is never too late to maximise their revision and work ethic all the way through the exam weeks will make a difference, surely a sacrifice worth making.

I would like to thank all Year 7 and 8 parents who attended Parents Evening these past two weeks where again we had more than 90% attendance on both occasions. Working alongside each other, valuing your child's achievements and knowing what they need to work on next, reinforcing the same priorities to improve their grades and to become better people, are essential to their growth.

Thank you!

Glen Pettengell
Headteacher

Roll of Honour Boards

It is with great pleasure that I can reveal the next set of students who have been nominated for our Roll of Honour boards. These students should be commended for their commitment to doing their best in school, alongside with an excellent work ethic and a real understanding that school forms an integral part of the pathway to success in future life.

SFO Sports Centre

There is a huge amount for all SFO students and their families to get involved with here at the Sports Centre. April saw the launch of our Community Badminton Sessions, which run on a Tuesday evening, catering for children and adults of all ages. We also ran our first ever party and now have another 3 booked in for the near future.

We also have a wide range of external clubs and groups using the facilities, these range from football to netball to hockey to fitness.

Champion Soccer launch their 6-a-side adult league with us on Monday 11th May. Visit <http://www.championsoccer.co.uk/> for more information on how to join a league!

Back 2 Netball is a programme run by England Netball to get more women back involved with the sport. Sessions will run from 7-8pm starting Mon 11th May. Email Lucy.Ponting@englandnetball.co.uk for more information, or see the attached flyer.

Stars Rhythmic Gymnastics Academy is the only Rhythmic Gymnastics Club in WGC. They launched with us last week with huge success, with over 20 girls coming to the taster sessions on Wednesday and Thursday. Email stars.academy.wgc@hotmail.com for more info on sessions.

Spins Table Tennis Academy is again an exclusive Table Tennis Club that is running right here at SFO Sports Centre. They will also be launching next week, with their sessions running on Tuesday evenings from 7-8pm. This is a youth and adult session, and the first session next week is completely free to attend! See leaflet for full information.

Don't forget to pick up a copy of our brand new SFO Sports Centre Brochure in reception now or online at <http://www.sfosborn.herts.sch.uk/sports-centre>

Make sure you follow us on Twitter, Instagram and Facebook – where we have almost 700 followers across the 3 pages!

Basketball Tournament

On Wednesday 4th March 2015 Year 7 students had a basketball tournament in the new sports hall. Our ambassadors in Year 9 ran and organised the whole tournament, they were: Regan Carolan, Mollie Hall, Andre Aguilar, Tom Page and Lily Giddens. As the event was an Interform basketball competition, boys and girls from different forms were able to play against each other and get to communicate with people they wouldn't normally. The two winning teams were 7R boys and 7S girls. We all had a very enjoyable time, it was truly fun! All the forms in Year 7 were able to participate. On behalf of Year 7, I would like to thank the Year 9 ambassadors for taking up their time for organising this wonderful event for us.

Young Ambassadors Programme

Year 9 students were able to show off their leadership skills, as part of the young ambassador programme by organising an interform basketball competition. If the competition was successful, the leaders would be awarded their leadership tops, something that we have worked for by completing a variety of courses.

Each leader was asked to pick out students, who they feel excelled in their skills of basketball, their behaviour and conduct and their sportsmanship skills and teamwork. Players of the tournament were: Melissa Aylott 7S, Rebecca Edge 7S, Louise Byott 7F, Kai Lewington 7F, Julian Sanders 7B and Callum Nicolson 7R. The players of the tournament received a box of chocolates each and merits for their participation and excellence. Star player certificates were also awarded in assembly with winners receiving merits.

Using our knowledge from all the courses, we were able to run a successful Year 7 basketball tournament which resulted in our leaders receiving their tops.

It was a pleasure teaching the Year 7 students for the afternoon and we already have a rounders tournament planned for the end of May.

Well Done Year 7's.

School Communications

To keep your child/ren safe and ensure their well-being, we are constantly looking for ways to improve our links with you and keep everyone up-to-date and well informed. As sending written information home is sometimes unreliable; we have decided to implement Schoolcomms, an electronic school communication system. This will enable you to receive all your information from school quickly and reliably. We can send letters by email to your inbox and short messages directly to your mobile phone as a text message, or if you have an Apple or Android mobile phone, by app message.

You will:

- Receive letters more reliably and promptly
- See letters in your inbox like any other email
- Get a short text or app message if we need to contact you urgently
- Still get paper letters if you don't have email
- No need to rely on your child for delivery
- Be able to reply by email, text or app message, and be able to send us any reasons for absence via text, email or app message

We can:

- Send more letters and information
- Save money on admin time, printing and paper
- Contact you urgently when necessary

Next steps:

1. The school will use the email address and mobile number that we hold for the Priority one contact(s). If you are not certain that we have your correct details, please use the reply slip provided
2. **If you do not have an Apple or Android device, skip to step 6**
3. Go to your app store and search for "School Gateway" and download the app
4. Once downloaded, select the "I'm a New User" button; enter your email address and mobile number that we have on record for you. Select Send PIN and a PIN number will be text to your mobile phone
5. Log in with your email address and the PIN, your account is now active and you will receive instant notifications of messages in your notifications bar.
6. If you change your contact details please let the school know as soon as possible

Schoolcomms is registered with the data protection act. All information you provide will be kept private and will not be passed on to any other organisation. Your details will only be used for the purpose of school business. You will not receive any SPAM or marketing material.

Please return to Reception

To receive letters, newsletters and texts please supply us with your up to date contact details.
