

Edwards and Blake

We are delighted to announce that our catering service will be provided by Edwards and Blake (E&B) from the start of the autumn term. Staff and students involved in the tender process commented on the high quality of food sampled. E&B will ensure that food allergies are fully catered for and will bring innovative new options for students.

Head Girl, Lillith Nilhens commented “we are looking forward to the introduction of a new food service or “pod”, near the sixth form centre which will better cater for the needs of sixth formers and other students”.

Head Boy, George Harvey is keen to involve student voice in helping to influence the menu options and design of the pod.

Headteacher, Jed Whelan said, “I am pleased to see that E&B have plans in place to ensure that our catering team, that know our students so well, are trained and comfortable to provide the new service from the start of the Autumn term.”

The price of the meal of the day will increase to £2.30, in line with other local schools. We have not adjusted prices for a number of years, but costs have risen and in the present economic situation, our prices need to rise. Please see attached sample menu and tariff.

Important Information – Wisepay Payments

Please note that due to the changeover to the new catering service, we will not be taking any payments on Wisepay from Friday morning 21st July 2017 until Thursday 31st August. This is to allow time for the changeover to take place. Any balances left on Wisepay accounts at the close of school on Friday 21st July will be carried forward and be available for students to use in September. If you have any queries, then please email finance@sfosborn.herts.sch.uk – we will be available to answer queries during the summer.
