Dear Parents / Carers,

Please note that the Show My Homework website is currently experiencing problems.

Parents and students will need to scroll down in the year drop down box and select the number of the year, e.g. '7' rather than 'year 7' for the set homework's to appear.

Site engineers are dealing with the problem and the school will continue to monitor the issue and will keep you updated as soon as we know of any developments.

Kind regards

Mr. L. Thomas
Data Manager
