

Parents/Carers are invited to sign up to receive messages via the Schools Closure Notification System, which is run through Hertfordshire County Council.

By signing up you will be notified electronically if the school has to close in an emergency or due to severe weather.

Please read the instructions carefully below to help you register:

To sign up, you will need to follow the link:

member.everbridge.net/index/892807736725489

This link will direct you to the "Sign Up" page where you should click on the "sign up" button located at the top right hand side of the page on the grey strip and from there follow the instructions. It should take no more than 5 minutes to register and you can edit the information at any time should you change mobile number or email address.

Each contact within the system can have 2 devices added for each communication type, this means that in addition to adding your own mobile number and email address, you could include the mobile number and email address of a partner or a grandparent for example in the registration process. They too would then receive any messages in relation to the school's closure. Alternatively, interested parties could register themselves separately.

If you have children at more than one school you can register for those schools too in a single registration process by selecting all schools you have children at.

Once signed up you will receive messages relating to the status of your child's school immediately.

If you have any queries please contact the school on 01707 351350 or email

admin@sfosborn.herts.sch.uk

Please note: In case of severe weather which results in school closure, a notification will also be posted on the school website.
