Dear Parent/Carer,

Sport Relief Week 2018

We are delighted to announce that Sir Frederic Osborn School will be raising money for Sport Relief 2018 from Monday 19th March to Friday 23rd March 2018.

During Sport Relief Week, our key theme is compassion. Compassion is showing empathy to someone more misfortunate than you. We want students to show compassion to other individuals and participate in at least one fundraising activity during the week.

Sport Relief do not just help those in poor countries around world, but also help the poor, lonely, homeless and vulnerable people in the United Kingdom. This is a fantastic opportunity for the school to aid a worldwide charity and help many people across the UK. 2 years ago, we raised a huge £1382.78; we are confident we can better that this time around! Please see below the timetable for the week:

This week has taken lots of time and effort to plan and we appreciate all the help from parents and the many students completing any fundraising activities.
