

POST 16 DRESS CODE

At Sir Frederic Osborn School we recognise that, whilst we would want students to exercise choice in the clothing they wear to school, there is a need for clothing to be appropriate for a learning environment. While at Sir Frederic Osborn, all students are representing the school and through their appearance have an impact on the image the school projects to other students, parents and visitors. All students are expected to ensure that their dress is appropriate for a learning environment.

We expect all members of our Sixth Form to dress appropriately to model the expectations we have of all our young people and it also reflects the attitude which all students should have to their own learning at this important time in their education. We believe that by following our dress code students will be better prepared, not only for their lessons in the Sixth Form, but also for their future lives in the world of work.

AIM

To ensure all Sixth Form students dress for success to reflect their positive attitudes towards their learning:

- ensure students present a professional and positive image of the school;
- present positive role models for younger pupils;
- dress appropriately for a school environment;
- contribute to high standards of health and safety.
